

WORK HEALTH AND SAFETY POLICY

MPS Building & Electrical are committed to an effective management of work health and safety, and injury management which are prioritised high with all other operational requirements.

MPS Building & Electrical recognises its duty of care to all personnel engaged by the Company including workers, Contractors and visitors, to ensure they remain free from risk to their health safety whilst at work.

MPS Building & Electrical will provide a safe and healthy workplace through a planned and systematic approach to the management of work health and safety, which is integrated into the core business of the Company, and the provision of resources for successful implementation.

The MPS Building & Electrical WHS Management System is consistent with and supports the Company's vision, values, and strategic goals, is appropriate to the Company's scope, size and services and ensures a culture of delivering a high standard of HSEC performance and continuous improvement of systems.

The WHS objectives of MPS Building & Electrical are to ensure, as far as is reasonably practicable:

- Risks to work health and safety are controlled through the engagement of all stakeholders in a culture of safety
- Safe systems of work are provided and maintained at all times in all workplaces;
- Workers are provided with information, training, instruction and supervision needed for them to work safely and without risks to their health
- The health of workers and the conditions of the workplaces are monitored
- Workers to be involved in the decision making processes through regular consultation and communication
- Health and safety policies and procedures comply with legislative requirements
- Safety performance is continually reviewed and monitored and;
- Comply with all relevant WHS legislation and other requirements placed on the Company.

MPS Building and Electrical will achieve and maintain certification to AS 4801:2001 to demonstrate our commitment to maintain best practice in work, health and safety management.

Kym Elliot
Managing Director
